CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

AND
(IV) NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you the AGM Notice and to provide you with information reasonably necessary to enable you to make a decision on whether to vote for or against each of the resolutions to be proposed at the AGM for the approval of, inter alia:

- (i) the grant of the General Mandate to the Directors;
- (ii) the grant of the Repurchase Mandate to the Directors;
- (iii) the re-election of the retiring Directors; and
- (iv) the re-appointment of KTC Partners CPA Limited as the auditor of the Company.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE NEW SHARES

At the AGM, an ordinary resolution will be proposed that the Directors be granted a general and unconditional mandate to allot, issue and/or deal with new Shares (including any sale or transfer of treasury Shares out of treasury), representing up to 20% of the total number of Shares in issue (excluding treasury Shares, if any) as at the date of the passing of such resolution. An exercise in full of the General Mandate, on the basis of 555,057,588 Shares in issue (with no treasury Shares) as at the Latest Practicable Date, would result in 111,011,517 Shares (representing 20% of the total issued share capital of the Company (excluding treasury Shares, if any) as at the Latest Practicable Date) being issued by the Company.

In addition, a separate ordinary resolution will be proposed to extend the General Mandate to be granted to the Directors by an amount representing the total number of Shares in issue (up to 10% of the total number of Shares in issue (excluding treasury Shares, if any) as at the date of passing of the Repurchase Mandate) repurchased under the Repurchase Mandate, if the Repurchase Mandate is granted pursuant to the ordinary resolution approving the Repurchase Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed that the Directors be granted a general and unconditional mandate to exercise the power of the Company to repurchase Shares up to 10% of the total number of Shares in issue (excluding treasury Shares, if any) as at the date of the passing of such resolution during the period from the date of the passing of the resolution in relation to the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is to be held as required by the Articles of Association or any applicable laws; or (iii) the date on which the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first.

An exercise in full of the Repurchase Mandate, on the basis of 555,057,588 Shares in issue (with no treasury Shares) as at the Latest Practicable Date, would result in 55,505,758 Shares (representing approximately 10% of the total issued share capital of the Company (excluding treasury Shares, if any) as at the Latest Practicable Date) being repurchased by the Company during the period ending on the earliest of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

An explanatory statement, as required under Rule 13.08 of the GEM Listing Rules, to provide to the Shareholders the requisite information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution for the grant of the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RE-ELECTION OF THE RETIRING DIRECTORS

The Board currently consists of five Directors, namely, Mr. Zhang Tao, Mr. Li Hongchen, Mr. Chan Yee Ping Michael, Ms. Pang Xiaoli and Ms. Zhang Wenjuan. According to Article 87, one-third of the Directors for the time being shall retire from office by rotation at every annual general meeting of the Company and according to the GEM Listing Rules, every Director, including those appointed for a specific term, shall be subject to retirement by rotation at least once every three years. A retiring Director shall be eligible for re-election. Pursuant to Article 86, any Director appointed to fill a casual vacancy on the Board or as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company.

Mr. Chan Yee Ping Michael, Ms. Pang Xiaoli and Ms. Zhang Wenjuan shall retire from their directorship at the AGM and offer themselves for re-election. Their details are set out in Appendix II to this circular.

With the assistance and recommendation from the Nomination Committee, the Board has reviewed the structure, size, composition and diversity of the Board from a number of aspects, including but not limited to age, cultural and ethnic background, professional qualification, skills, knowledge and length of service and decided to propose the re-election of Mr. Chan Yee Ping Michael, Ms. Pang Xiaoli and Ms. Zhang Wenjuan as independent non-executive Directors at the AGM. In addition, the Nomination Committee conducted an assessment and review based on the written confirmations of independence provided by Mr. Chan Yee Ping Michael, Ms. Pang Xiaoli and Ms. Zhang Wenjuan to the Company pursuant to the independence standard as set out in Rule 5.09 of the GEM Listing Rules.

RE-APPOINTMENT OF RETIRING AUDITOR

KTC Partners CPA Limited will retire as the auditor of the Company at the AGM and being eligible, offer themselves for re-appointment. After the recommendation of the audit committee of the Company, the Board proposed the re-appointment of KTC Partners CPA Limited as the auditor of the Company and to hold office until the next annual general meeting of the Company, subject to the approval of the Shareholders at the AGM. The estimated audit fee for the audit of the consolidated financial statements of the Group for the financial year ending 31 March 2027 is expected to be in the range of approximately HK\$689,000-HK\$800,000. The estimated audit fee represents a fair and reasonable estimation, after due consideration and arm's length negotiation between the Company and KTC Partners CPA Limited. The estimation takes into account various factors such as the size and structure of the Group, the nature and complexity of the Group's businesses, the expected audit scope, timetable and direction of the audit and the time and resources deployed by the auditor. Furthermore, the estimated audit fee assumes there will be no material changes in the Group's businesses and operations, accounting policies or regulatory environment, and that the Company will provide timely and adequate assistance and information as required for the audit.

LETTER FROM THE BOARD

Unless there is a material change in the basis or assumptions set out above, the final audit fee should not deviate materially from the estimated amount initially disclosed. In the event of any material change, the Company will make further disclosure as appropriate.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors consider that the proposed grant of the General Mandate and the Repurchase Mandate, the proposed extension of the General Mandate and the proposed re-election of the retiring Directors, are in the best interest of the Company and the Shareholders as a whole. Therefore, the Directors recommend the Shareholders to vote in favour of all resolutions to be proposed at the AGM.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in Appendices I and II to this circular and the AGM Notice.

By order of the Board
StarGlory Holdings Company Limited
Zhang Tao
Chairman and executive Director

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to the Shareholders to consider whether to vote for or against the resolution relating to the grant of the Repurchase Mandate to be proposed at the AGM.

1. GEM LISTING RULES

The GEM Listing Rules permit issuers whose shares are listed on GEM to repurchase their shares on GEM subject to certain restrictions, including:

(a) Shareholders' approval

All proposed repurchases of securities on GEM by an issuer must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval, in relation to such repurchases.

(b) Source of funds

Any repurchase must be funded out of funds legally available for such purposes in accordance with the issuer's constitutive documents and the laws of the jurisdiction in which the issuer is incorporated or otherwise established.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 555,057,588 Shares, with no treasury Shares.

Subject to the passing of Resolution 6 as set out in the AGM Notice and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed to repurchase a maximum of 55,505,758 Shares (representing 10% of the total number of Shares in issue (excluding treasury Shares, if any) as at the Latest Practicable Date) under the Repurchase Mandate.

3. REASONS FOR REPURCHASES

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company with the flexibility to make such repurchases when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements at the time, enhance the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Shares bought back and held by the Company as treasury Shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purpose, subject to compliance with the GEM Listing Rules, the Articles of Association, and the laws of Cayman Islands.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the applicable laws of the Cayman Islands and the GEM Listing Rules. The Company is empowered by its Memorandum and Articles of Association to repurchase its Shares. According to Cayman Islands laws, the funds required in connection with a share repurchase by the Company may only be paid out of the profits of the Company or out of the proceeds of a new issue of Shares made for such purpose or if authorised by the Company's Articles of Association, out of capital, and the amount of premium payable on repurchase may only be paid out of the profits of the Company or out of the share premium accounts of the Company.

5. IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital or the gearing position of the Company as compared with the financial position disclosed in the latest audited accounts for the year ended 31 March 2026 in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

6. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases under the Repurchase Mandate pursuant to the relevant proposed resolution and in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands. Neither the Explanatory Statement nor the Repurchase Mandate has any unusual features.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders.

No core connected persons (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell any Shares to the Company, or have undertaken not to sell any of the Shares held by them to the Company, in the event that the Company is authorised to make purchases of Shares.

Subject to the GEM Listing Rules and all applicable laws and regulations, the Company may cancel repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

7. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code and, if such increase results in a change in control, may in certain circumstances give rise to an obligation to make a mandatory general offer for Shares under the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, the following Shareholders are interested in the issued Shares as recorded in the register of interests in shares and short positions of the Company under section 336(1) of Part XV of the SFO:

Name of Shareholders	Capacity in which interests were held	Number of Shares held	Number of underlying Shares held	Total number of Shares and underlying Shares	Approximate percentage of shareholding as at the Latest Practicable Date (Note 4)	Approximate percentage of shareholding of the Company if the power to repurchase is exercised in full
Oceanic Fortress Holdings Limited (Note 1)	Beneficial owner	296,887,066	–	296,887,066	53.49%	59.43%
Ms. Huang Li (Note 1)	Interest of corporation controlled by Ms. Huang Li	296,887,066	–	296,887,066	53.49%	59.43%
	Beneficial owner	5,280,000	–	5,280,000	0.95%	1.06%
Mr. Tang Sing Ming Sherman (Note 2)	Beneficial owner	–	71,428,571	71,428,571	12.87%	14.30%
Ms. Ho Ming Yee (Note 3)	Interest of a substantial shareholder's spouse	–	71,428,571	71,428,571	12.87%	14.30%

Notes:

- (1) 296,887,066 Shares are held by Oceanic Fortress Holdings Limited, the entire issued shares of which is owned by Ms. Huang Li.
- (2) Mr. Tang Sing Ming Sherman holds the convertible bond in respect of the outstanding principal amount of HK\$40,000,000, under which a total of 71,428,571 Shares of the Company would be issued upon full exercise of the conversion rights attaching thereto. Upon full conversion of the convertible bond, Mr. Tang Sing Ming Sherman would hold 71,428,571 Shares, representing approximately 12.87% of the issued share capital of the Company as at the Latest Practicable Date.
- (3) Ms. Ho Ming Yee is the spouse of Mr. Tang Sing Ming Sherman, and is therefore deemed to be interested in the same number of Shares held by Mr. Tang Sing Ming Sherman by virtue of the SFO.
- (4) The percentage of shareholding was calculated based on the total of 555,057,588 Shares in issue as at the Latest Practicable Date.

In the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the relevant resolution to be proposed at the AGM, the shareholding interests of Oceanic Fortress Holdings Limited and the persons acting in concert with it (as defined in the Takeovers Code) in the Company would be increased to approximately 59.43% of the issued share capital of the Company and as a result, the Company will still be able to fulfill the minimum public float requirement as set out under Rule 11.23(7) of the GEM Listing Rules and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no present intention to exercise repurchases of Shares to such an extent as would result in takeover obligations under the Takeovers Code. In any event, the Repurchase Mandate will be exercised only if the number of Shares held by the public would not fall below 25% of the Company's issued share capital.

8. SHARES PURCHASED BY THE COMPANY IN THE PREVIOUS SIX MONTHS

Neither the Company nor any of its subsidiaries has repurchased any Shares (whether on GEM or otherwise) in the six months preceding the Latest Practicable Date.
